Jill Christensen MSW.RSW

Jill Christensen is a Clinical Social Worker and Somatic Experiencing Practitioner at PPC. Through professional training, and the lens of her personal life as a new parent, Jill believes in the capacity of emotion regulation to help parents become the parents they want to be.

Paige Gryba. M. Ed. (Psych).

Paige Gryba is a psychologist, family therapist and Somatic Experiencing Practitioner in private practice at Gryba Phillips Professional Counselling Associates. Over the past several years, Paige has seen how the healthy regulation of the nervous system has enhanced the lives of many of her clients, from children to older adults.
